-------------------------------------------------------------------------------------------------------
1. RESPONSE: Shengqiao really puts effort in making sure that we understand what's going on. I didn't go to class for a few days but
I was able to understand stuff based on his discussion sections.
-------------------------------------------------------------------------------------------------------
2. RESPONSE: Good TA
-------------------------------------------------------------------------------------------------------
3. RESPONSE: Thank you for being our TA you were awesome!
-------------------------------------------------------------------------------------------------------
4. RESPONSE: He has been a very solid teacher and guy. Very glad I got to spend the semester with him it has made this class very
enjoyable.
-------------------------------------------------------------------------------------------------------
5. RESPONSE: Very helpful during TA sessions. I honestly felt like I learned more in the TA sessions than the lectures.
-------------------------------------------------------------------------------------------------------
6. RESPONSE: Great TA who is passionate about the subject and is able to explain and expand upon class material very well.
-------------------------------------------------------------------------------------------------------
7. RESPONSE: Section meetings were a good review and refresher for material learned in class but would not work as a stand-alone;
required some previous knowledge. Could have more opportunities for feedback to check our progress. Overall approachable and
helped reinforce class concepts
